

Top Immigration Lawyers in Moose Jaw Saskatchewan

Top Immigration Lawyers in Moose Jaw Saskatchewan - Our Technology Law Group assists clients with the full spectrum of assistance about technology. We serve worldwide technology companies with complicated requirements regarding their technology and commercial needs. Our clients comprise technology start-up operations as well as research businesses. We help clients involved in financings and mergers and acquisitions about information technology (IT), emerging technology, clean tech, biotechnology, and life science matters.

Our Technology Law Group draws on the experience and background of professionals and lawyers in our firm involved in the following practice areas: environmental and energy, securities, corporate/commercial, administrative and energy, intellectual property, corporate finance, financial services, and mergers and acquisition.

The Technology Law Group consists of some sub groups, including the CleanTech Group and the Information Technology and E-Commerce Group. This broad range of focused expertise makes certain that our clients' legal requirements and business needs are identified early and handled in a timely, focused, and practical way. These groups help to make sure that our clients' legal requirements and business needs are quickly identified and responded to in a way which is timely, focused, and practical.
