Legal Aid Lawyers Moose Jaw Saskatchewan - Our Financial Services Team assists clients in issues related to insolvency, finance and restructuring. Our group members' training in the financial services industry equips them with the insights and skills to assess the needs of our financial services clients. We have a deep knowledge of the structure and documents connecting to transactions, and we have many years of knowledge working within the various businesses and regulatory environment wherein our clients operate. We combine technical expertise with the applicable business knowledge within industry teams and practice groups to assist each and every client's particular needs.

Our Banking Group advises and acts for large finance organizations such as banks, non-bank lenders as well as other businesses. We have knowledge in participations and syndications, asset-based lending and secured transactions, as well as different forms of commercial finance, consisting of mezzanine, subordinated debt, private equity and film financings in Canada and the United States. We are mainly recognized for our work with alternative and secured financing. We have developed superb relations within the lending community, that allows us to help corporate clients to secure financing from the most appropriate lender.

The different kinds of financing transactions we implement for our clients comprises multi-currency loans, project financings, cross-border and syndicated loans, letter of credit facilities, acquisition facilities, venture capital financings, real estate financings and asset based lending. Our professionals will document and structure bulk lease financing facilities pursuant to which lenders finance portfolios of equipment leases. We also develop the off-balance sheet financing of energy retrofits of private and public buildings. Our services include structuring and documenting on- and off- balance sheet financings including sales of receivables, conditional sale agreements, equipment lease, non-rated asset securitization and leverage buyouts. We advise clients about the lenders' standard form documentation and lending policies and procedures.

Working directly along with our Tax team, we represent financial institutions in their offshore and domestic investment activities and provide suggestion about innovative risk management techniques involving financial derivatives.

Our Insolvency and Restructuring Team gives assistance in all areas of insolvency law to financial institutions, trade creditors, debtors, debtor-in-possession lenders, liquidators, receivers and trustees. We assist with proposals, reorganizations, restructurings, receiverships, workouts, bankruptcies, liquidations and enforcements.

To help enhance recoveries and to minimize the effect of insolvency upon the interest of stakeholders, our litigators would develop comprehensive strategies.

We help senior and subordinated borrowers, investors and lenders with the structuring and implementation of debt workout arrangements. By offering innovative transactional suggestion, particularly concerning out-of-court restructurings and the sale and purchase of insolvent businesses, we are an effective addition to management groups.
