

Moose Jaw Saskatchewan Accident Lawyers

Moose Jaw Saskatchewan Accident Lawyers - Our company of insurance experts provide legal advice about various matters of insurance to the numerous companies within the insurance industry. These could consist of the defense of directors, officers and professionals; fire litigation, product liability claims, personal injury claims, class actions and subrogated actions. We offer the insurance industry with legal counsel at all levels of the Courts and have helped insurers in policy wordings.

On behalf of Insurance corporations and private insurers, we act in several casualty and property claims. Our goal is to offer clients with cost- effective solutions to insurance claims.

We offer corporate suggestion to insurers. Our long-standing relationships with many local and global insurance market insurers enable us to offer the insurance business with professional and cost-efficient counsel.

Professional Liability

We assist in the development of professional liability policy wordings for engineers, architects and accountants, providing opinions and counsel regarding coverage and coverage disputes in these areas.

Municipal Liability

Our partners advise about policy wordings and coverage issues for local government members and their Boards and Commissions, in addition to offering counsel and coverage matters on their behalf. We also act for municipalities in liability actions occurring out of fire associated losses and code enforcement.

Directors' and Officers' Liability

We have dealt with coverage problems as control counsel for D&O carriers. The claims against officers and other directors are efficiently and directly handled.

Builders' Risk

We provide litigation in issues associated to faulty workmanship, materials, and design exclusion in builders risk policies.

Insurance Fraud

We could offer service to insurers in those problems concerning insurance fraud. The frauds may comprise coverage advice, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insured and third party service providers.

Fire Losses

Our fire loss service is knowledgeable at delivering services in the most focused and effective manner in nearly every part of fire associated claims. We offer coverage suggestion as well as manage fire litigation from the initial investigation to the case preparation and presentation phases. We represent insurers when claims of subrogation and bad faith affect their direct interests.

Class Actions

Our lawyers have worked on various high profile class action lawsuits comprising financial services, insurance issues, and products liability.
