

Securities Lawyer Moose Jaw Saskatchewan

Securities Lawyer Moose Jaw Saskatchewan - Clients rely upon us to help them in accessing both the public and private capital marketplaces. Our seasoned lawyers give recommendation concerning the accumulation of money in the structure of applicable securities laws, regulations, and policies. Both underwriters and issuers are part of our client base, looking for assistance with offerings of equity and debt securities. As well, we likewise represent investors and issuers about seed capital and venture capital offerings and private placements. Our company can even assist our clients in meeting applicable continuous disclosure and yearly meeting requirements.

Another primary aspect of our firm is our agency practice, which involves us acting for law companies across the nation. We help in the completion of cross-jurisdictional transactions, that normally needs us to analyze a transaction from the regulatory compliance's point of view, sending whatever needed applications to the Securities Commission, and meeting with staff at the Commission.

Amongst our client base are national and local publicly traded issuers, venture capital funds, independent corporate finance firms, law firms, the securities divisions of chartered banks, mutual funds consultants and investment counsel and portfolio managers.
