

Law Firms Moose Jaw Saskatchewan

Law Firms Moose Jaw Saskatchewan - Our company has a Tax Law Group comprising 50 lawyers providing sound advice and cost-efficient solutions on a wide array of tax topics. One of the biggest Tax Law Groups in the country, our growing team is multidisciplinary, entrepreneurial and multi-jurisdictional.

In order to assist our client's with their difficult taxation needs, our clients come from diverse backgrounds, bringing high levels of knowledge and expertise. Our firm of tax lawyers represent lots of clientele in key industries, consisting of automotive, computer equipment, processing and manufacturing, software, gas and oil, banking and finance, and real estate. We are well positioned in new trades like for instance greentech, cleantech, and other growing technological areas.

Our company targets the five primary specialties: Corporate Tax, International Trade, Customs and Commodity Tax, Dispute Resolutions and Tax Litigation, Private Client Services, and Charities and Not-For-Profit. We maintain a wide network of worldwide contacts and relationships, which enables us to successfully assist clients whose companies need cross-border and global transactions. Our presence at significant national and international tax conferences and seminars involves presentations about a variety of tax problems.

Corporate Tax

When dealing with Corporate Tax, we offer recommendation for our client's about tax filings and tax risks. We have expertise in the areas of: reorganizations of public and private companies, the structuring and implementation of mergers and acquisitions (M&A) transactions and financings, real estate investment trusts (REITs), investment funds, income trusts and other entities, international tax, transfer pricing, cross-border taxation, and executive compensation issues.

International Trade, Customs and Commodity Tax

Our International Trade, Customs and Commodity Tax specialty deals with import-export problems, cross-border trade, commodity taxes, trade remedy law (AD/CV), retail sales taxes, and property tax issues. Our lawyers are skilled at providing advice concerning difficult sales tax transactions to help clients across all client groups and industries. We represent clients in difficult dispute resolution concerns with the tax departments. We are known for our practical, result-oriented approach to resolving disputes, advance planning, income tax litigation and assisting in voluntary disclosures. Our Group regularly makes representations before trade regulation bodies concerning international trade/import-export concerns. Our clientele benefit from our advice on customs compliance matters. These include such areas as calculation of value for duty, preferential access rules of origin and tariff classification. Our lawyers act for clients in customs seizures and AMPs (Administrative Monetary Penalties). The Tax Law Group includes Municipal Assessment and Property Tax lawyers who specialize in the laws relating to real estate and tax assessment, consisting of municipal law, leasing, development and government relations.

Tax Litigation

Our Tax Litigation lawyers regularly act for clients in problems before the Tax Court and the Federal Court of Appeal. Through the tax appeal process we help clients in negotiations with CRA and IRS along with different taxing authorities at the notice of audit and objection phases. We have the objective of resolving disputes early in a cost effective way.

Private Client Services

Our Private Client Services specialty helps some of the most successful private individuals and family enterprises in their long-term along with daily planning. Our services encompass succession planning, estate planning, personal tax, estate administration, trust and estate litigation, elder and incapacity law.

Not-For-Profit and Charities

Our Charities and Not-for-Profit Group, we can assist the many domestic and international organizations with tax regulatory problems, which may include cross border financing. Our group maintains government relationships that benefit charities and the not-for-profit sector. We provide expert representation for charities in contentious audits. Our lawyers are called upon to make presentations at major legal and sector conferences, and to author charity tax articles and books.
