

Moose Jaw Saskatchewan Tax Lawyer

Moose Jaw Saskatchewan Tax Lawyer - Our company specializes in the handling the numerous tax disputes issues and has significant experience in tax litigation. A lot of businesses require our assistance to help them negotiate with tax authorities. We normally represent them before the courts on tax appeals.

Capital, income, mining and commodity taxation or trade cases are all situations where our company is experienced and knowledgeable. By using all the resources which we have on hand, we guarantee that our client is completely ready to handle audits, information requests, voluntary disclosures and reassessment proposals. Our tax solicitors normally call upon our tax litigators early on in order to advise our clients concerning the tax aspects of a transaction. Should a reassessment be unavoidable, we try to solve the dispute utilizing administrative appeals. If this method does not obtain favorable outcome, we attempt to simplify the situation prior to beginning the litigation procedure. Our main objective is to help our clients come to a resolution efficiently and quickly.

Some of our recent cases have involved transfer pricing, interpretative questions and tax avoidance. These questions involve scientific research and experimental development costs, foreign exchange, taxable benefits, and payroll and commodity taxes.

Our client base is formed by both domestic and foreign businesses. These include some well known partnerships and public institutions, tax-exempt corporations, as well as several companies in the areas of financials, telecommunications, pharmaceuticals, and utilities. We guarantee that a close working relationship is maintained on both a domestic and international level along with chief financial officers, accountants, tax advisors, and tax executives.
