

Legal Services Moose Jaw Saskatchewan

Legal Services Moose Jaw Saskatchewan - With the large industry of entertainment in North America, there are a wide variety of businesses like for example directors, writers, service providers, federal/provincial agencies, animation houses, banks and actors.

We advise our numerous client's in the television and film business about the subjects concerning co-production partners and distribution, negotiations with broadcasters, banking transactions, tax credits and government funding, union and guild problems, plus any other financing or production problems they might encounter.

For the on-location productions, we provide advice and services regarding withholding tax and film tax credits, investment rules and regulatory requirements, in addition to possible issues regarding guilds and unions in the United States and Canada.

The main focal point of our team of lawyers focuses on the new media, film and television industries. We work with and are accompanied by different groups including our Labour & Employment, Tax, and Intellectual Property groups. A unique perspective is developed by our head lawyer, who depends upon his securities law and entertainment law knowledge to offer our clients with brilliant suggestion regarding corporate and project-based funding.
